The railroad would pay 20% with the State of Iowa picking up 60% of the cost.

Motion by Parsons, seconded by Tiedje to approve the State of Iowa Grade Crossing Surface Repair Fund Force Account Agreement between Jasper County, the Iowa Department of Transportation and Iowa Interstate Railroad for the repair of the railroad crossing located at Hwy T-12N in Jasper County.

The Board held a discussion about the potential purchase of a four wheel drive pickup truck for the Maintenance Department. A blade would be put on the truck for snow removal.

Buildings & Grounds Director, Adam Sparks, told the Board that a second truck with a blade attached would help them remove snow from the Courthouse parking lot Community Center, Law Enforcement Center and at the Annex Building. Sparks estimated that the cost for the truck would be in the low \$20,000 range minus a trade in value of about \$10,00 on a currently County owned truck that is without four wheel drive and a blade. The Board asked Sparks to present quotes on the new truck to the Board at the next meeting.

Motion by Tiedje, seconded by Parsons to approve Board of Supervisors minutes for January 19, 2010.

YEA: PARSONS, TIEDJE, STEVENSON
