SEPTEMBER 2021

Greetings from JCEN:

- You need to be home to receive your meals. Please do not schedule appointments during the time that the meals normally arrive.
- If you are not going to be home to receive your meal, please remember to call us to cancel your meal. If we haven't received a call from you and you are not home, we will call your emergency contact to check on you. Meals cannot be left out on a porch or counter if you are not home. If you leave a note, we will put them in the refrigerator or a cooler with ice, but there must be a note left or a call made to JCEN telling us that you won't be home.
- If you are not home the first time a driver stops to deliver your meal or you don't answer your door because you are still asleep, you may have to make arrangements to come to the congregate site to pick up your meal. We cannot guarantee that the driver will back track to bring you your meal if you are not home the first time we try to deliver.
- If you attend a congregate site, please keep your site manager informed on when you plan to attend. This helps us so we don't have too much food or not enough food. Masks need to be worn in & out of the Congregate Sites and only taken off when eating.
- JCEN will be closed on Monday, September 6 for Labor Day.

-Kelli Van Manen, Program Director
