JUNE 2022

Providing Congregate and Home Delivered Meals in Jasper County

Senior Farmer's Market

If you want to apply for the Senior Farmer's Market checks please call the office. We will send you the checks when we receive them from Aging Resources, which will be at the end of June.

SURVEYS

Your input is important to us. We will be sending out surveys in the near future.

Please fill them out and return them to your driver or mail them in if you wish to participate. Do keep in mind that not all suggestions can be accommodated for due to the number of meals we prepare and the timing. Also keep in mind that not all suggestions need to be negative. Positive feedback is also welcome!

If you receive home delivered meals and you have transportation, we strongly encourage you to attend a Congregate Site instead of receiving Home Delivered Meals if you live in Colfax, Monroe or Newton. If we do not have a form on file from a health care professional indicating your need for home delivered meals, you will be required to get one. This audit of our records will take place this summer and you will be notified if you need a form signed by your health care professional.
